

Redcliffe Art Society Inc

Old Fire Station Gallery Shop

The Redcliffe Art Society Old Fire Station Gallery Shop and the Redcliffe Art Society Old Fire Station Gallery are quite separate entities.

Therefore, hire of the Gallery for an exhibition does not include hire of the Gallery Shop. This is an available option.

Items for display in the Gallery Shop are welcome from RAS members and non-members alike. For example, we display artworks, shrink wrapped matted artworks or prints, cards and envelopes, a book (if you have written one), jewellery, scarves, etc.

Should an individual hiring the Gallery for an exhibition wish to also display items in the Gallery Shop, these items must be documented separately. If a group is hiring the Gallery for an exhibition and wishes to also display items in the Gallery Shop, this must be noted in the name of the group, not the individuals in the group.

If you or your group are hiring the Gallery for an exhibition and would like to take advantage of also displaying work in the Shop, you will need to contact the Gallery Shop Manager at least two (2) weeks before your exhibition opening date so that the documentation can be formalised. It is very important that this process is followed otherwise your artworks/crafts will not be displayed or hopefully, sold.

Our volunteers manage the Gallery and the Gallery Shop and first and foremost our aim is to ensure that your experience with us is pleasant and as productive as possible.

We very much look forward to meeting with you to discuss the best outcome possible should you wish to display items in the Gallery Shop in conjunction with your exhibition in the Gallery.
