Airi Natori is an artist based in Brisbane and Tokyo. After receiving a BFA in Craft design at Musasino Art University,

Think about dreams you had last night, dream-like landscapes, your favourite things and visions of the future.

Bring 5 colours of your favourite Acrylic paints plus white and black. Explore various colours by mixing, adding, or subtracting your chosen five colours with black and white.

Aim; Experiment with expressing within the confines of limited colours to understand the breadth of colour. Engage in self exploration by painting your envisioned 'dream'.

Payments are due when placing your name on the booking list
