

## Workshop Description

Discover underpainting for soft pastel with techniques that work to create your unique style of artwork with a bit of theory and a whole lot of splosh, to loosen up and fearlessly get a painting on its path to success.

### Week 1

#### Media Introduction

Discover and test the different media that can be used with soft pastel painting.

### Week 2

#### Get your Ink on

Explore how to use artists quality inks to set the tone and texture in the painting. We are learning how to make underpainting that glow ready for the important pastel layers to come. Inks supplied.

### Week 3

#### Wash your Way.

Using another media to develop standalone artworks that have texture and interest before the pastel layers. Mark making and drawing into the underpainting to pull out features of the story are demonstrated and explained.

### Week 4

#### Fast and Fantastic

The final week introduces our final media that is fast to use, makes fantastic backgrounds and is really easy to play with. This week we have tips on the variation of pastel strokes that work with our underpainting.
